GRIPS

NATIONAL GRADUATE INSTITUTE FOR POLICY STUDIES

Gateway to  
Global Leadership

#### BASIC FACTS AND FIGURES (as of April 2016)

- President: Takashi Shiraishi
- International programs: 9 Master's; 8 Ph.D.
- No. of students: 279 International; 142 Japanese
- Full-time faculty: around 80
- Student - teacher ratio: 5 : 1
- Academic agreements with foreign institutions: 30+
- Standard enrollment month: October

#### Our Mission

- Train future managers and leaders in the public sector
- Promote issue-based, interdisciplinary policy research
- Serve as an international center for public policy research and education

#### History of GRIPS

The Graduate School of Policy Science (GSPS), the predecessor of GRIPS, was established at Saitama University, Japan in 1977 as a new kind of graduate school, aimed at promoting interdisciplinary policy research and fostering administrative officials and policy analysts equipped with policy analysis and policy-making skills backed by scientific methods. Succeeding GSPS, the National Graduate Institute for Policy Studies (GRIPS) was established in October 1997 as an independent national graduate university with the mandate to promote high-level policy research and respond to various domestic and international needs based on international intellectual cooperation and the cooperation of leading members of Japan's political, industrial, government, and academic circles.

#### GRIPS Features

- Scholarships available for outstanding applicants
- GRIPS is international; two-thirds are international students with alumni from more than one hundred countries
- A leader in English-based education in Japan
- GRIPS ranks number 2 in Japan and in top 5% of institutions in the world for economics research (RePEC)
- Mix of academic and pragmatic approaches to policy issues
- Distinguished faculty recruited internationally from academia, as well as former senior executive government officials
- Strong domestic and international policy networks
- Modern innovatively designed campus in nature-rich environment in the heart Tokyo
- Most of our students are current administrative officials from both Japan and overseas
- Modern, spacious residences available for students
- Active alumni network around the world
